

# 2026 FIVE STAR LEGENDS

Nowadays, attention spans are short, so finding professionals who are not only great at what they do, but can do it for a decade (or longer)? Now, that's legendary. Excellence like this takes diligence, a commitment to clients, a knowledge of the market and a knack for making things happen.

Five Star Professional has been researching and recognizing outstanding real estate agents, mortgage professionals and home/auto insurance agents for more than 17 years. Each year, a small percentage of professionals wins the Five Star award in more than 40 markets across the country. Our research team takes consumer and peer feedback to distinguish our candidates, then looks at their experience, conducts a regulatory check, and then talks to candidates and gathers information on their practice in order to evaluate them for the award.

From all of this, a small fraction of candidates win the Five Star award over and over again. How? It takes skill, consistency and commitment to excellence to win and keep winning. That's why we're recognizing this exclusive group of Five Star Legends with this special section, dedicated to and reserved for those people who have won the Five Star award 10 years or more. These winners from across the country embody professionalism and long-term commitment, making them stand out in their field.
